How to enter

- To qualify for the league, you must have attended a Squad Assessment and submit Rider Skills Test scores gained between **1 December 2025 and 31 May 2026**.
- Ride your Rider Skills Tests at ANY BD Official event (flexi or training day).
- If you are selected to represent your region at the Youth Inter Regionals, these scores can also be used.
- Each month there will be a monthly league table with results published on social media.
- To be included in the monthly results, you must submit all Rider Skills Test scores and photos of sheets obtained in that month on the Horse Monkey application.
- There will be a rolling application which means you can apply anytime, but only scores submitted by the 7th of the following month will count for that month's leaderboard. For instance, if you want your scores to count for January, submit them by 7th February. Since there were few Rider Skills Tests in December, December scores will also count for January's leaderboard. You can submit scores for both December and January for the January league results.

Who wins?

- Each month, the top 6 riders for each squad will be published.
- This will be a rolling league with scores and points updated each month.
- Rider Skills Test scores will be turned into points and the highest points for each squad level will feature on the leader board each month.
- The top 3 riders in each squad achieving the most points between the 1 December 2025 to 31 May 2026 will be the overall winners at the end of the league.
